26th-29th
MAY

Welcome to our May Half Term Holiday Club Activity Planner, full of heroic activities and adventures!

Below you'll find all the important information on how your child will be looked after, including what a typical day at KOOSA Kids is like and a detailed activity planner on pages 2 & 3 showing what your children can look forward to! In order for your child to get the most out of their time at KOOSA Kids, they will be grouped by school year. Suitably qualified staff, including paediatric first aiders, are present at the club at all times.

WHAT WILL MY CHILD BE DOING?

At KOOSA Kids we understand that every child has different interests which is clearly reflected in our dynamic range of **over 350** activities. To enable your child to enjoy as wide a variety of activities as possible, our Activity Day offers up to **9** structured activities each day for your child, 4 each from the **Discovery & Endeavour** Zones, an organised play session after lunch, just like at school, **KOOSA Science** every Monday and the option to dress up for **Fanastic Friday!** (Dressing up is always optional)

GROUPED BY SCHOOL YEAR

- For our youngest age group, the emphasis is on fun and play in a caring and safe environment.
- Action, excitement & discovery await every Kool K with a programme of activity that helps them develop their growing sense of interest in everything around them.
- For our King K's, all the fun & excitement of the Kool K's is retained, but within an environment that encourages independence & individuality.

Please note, dressing up is always optional.

King K's YR4-YR8

Exclusive to our eldest attendees!
Enjoy a child-led, multi-choice programme in the mornings and spend the afternoon taking part in King Club and Extreme Team. To inspire independence and individuality, King K's enjoy their own 'club environment' well away from the rest of the activity groups.

Chill out with friends and take part in a selection of cool games and activities.

The last hour of the day is devoted to a 'fast and furious' activity which introduces our King K's to an appropriate level of risk and challenge.
